## ABOUT ATASCOSA COUNTY GOVERNMENT

Atascosa County's government organization is established by the Constitution of the State of Texas and by state statutes. Operations are governed by state and federal law and by actions of the Commissioners' Court.

### COMMISSIONERS' COURT

The Commissioners' Court consists of four (4) County Commissioners, each elected by the voters of a Commissioner's Precinct, and the County Judge, elected by all the voters of the County. Officials are elected for a four-year term of public service.

The Commissioners' Court is the chief policy, administrative or executive branch of the county government. Among its many functions, the Court:

- Sets salary for elected officials, department heads, and employees
- Sets the tax rate
- Adopt the annual budget
- Approves new programs or changes existing ones
- Adopt regulations and policies
- Approves and manages County facilities.

The Commissioners' Court carries out these and other specific duties by meeting in regular and special sessions. Sessions are held on the second and fourth Monday of each month. Decisions of the Court require a majority vote.

### COUNTY OPERATIONS

County operations are conducted through departments, each administered by an elected public official or an appointed department head.

### INDEPENDENT ELECTED OFFICIALS

While the Commissioners' Court has a wider range of authority, in some areas state law gives greater authority to other elected officials. These elected officials are directly responsible to the voters for performing the duties assigned to their offices.

#### Service to the Public

On a day-to-day basis, citizens base their opinion of Atascosa County on the actions of county employees, department heads, and elected officials. If there is a conflict between a departmental rule or policy and these policies or any future amendments to these policies, the terms of these policies, as amended, will prevail.

### **1A-3 DISSEMINATION OF PERSONNEL POLICIES**

The County Clerk maintains the official set of personnel policies with all revisions for reference by employees. The Human Resources Department will provide a hard copy or an electronic copy of this manual and all subsequent revisions to each department head and elected official.

## **1A-4 EMPLOYEE STATUS**

Each county position has an employee status that identifies how the position is paid and how benefits are granted by Commissioners Court. The status of a position cannot be changed without the approval of the Commissioners' Court. This policy defines both health insurance and retirement benefits. Full-time employees will be eligible for health insurance. All other classifications must be included in the county initial and/or standard measurement periods for the Affordable Care Act.

**Regular Full Time:** A full-time employee shall be any employee in a position who has a normal work schedule of 30 hours per week. Full time employees are eligible for county health insurance and retirement benefits. Other county policies will dictate eligibility for other benefits. Employees may be non-exempt, hourly employees, exempt hourly or exempt salary employees. Non-exempt employees are eligible for overtime compensation. Exempt employees are not eligible for overtime compensation. Atascosa County makes exempt status determination based on the Fair Labor Standards Act.

**Regular Part Time:** A part time employee shall be any employee in a position who has a normal work schedule of less than thirty (30) hours per week. All regular part-time employees must be placed on TCDRS retirement regardless of the number of hours worked per week. Other county policies will dictate eligibility for other benefits.

**Temporary Seasonal:** A seasonal employee shall be any employee who is hired into a position that lasts six (6) or less months and begins at approximately the same time each year. Examples may include, but are not limited to, summer internship and election workers. Seasonal employees can be either part-time or full-time, and they may qualify for health insurance through the county under the Affordable Care Act depending on the number of hours worked per week, and the length of employment. Temporary seasonal employees are not eligible for retirement benefits under TCDRS. Other county policies will dictate eligibility for other benefits.

**Regular Variable Hour:** A variable hour employee shall be any employee for whom the county cannot determine the average amount of hours that the employee will work each week – hours are variable or indeterminate at the time of the employee's start date. If the employee works an average of thirty (30) or more hours a week in the measurement period, the employee will be eligible for health insurance through the county under the Affordable Care Act. If an employee's schedule becomes regular, then the employee shall be reclassified as full or part-time depending on the hours worked. Regular variable hour employees are eligible for retirement benefits under TCDRS. Other county policies will dictate eligibility for other benefits.

**Temporary Part Time:** A temporary short-term part-time employee shall be any employee who is expected to work less than thirty (30) hours each week in a position that is expected to last for a specific period of time or until a specific project is completed, but no longer than 12

months. If this project goes beyond 12 months, the employee will move into a regular part time status. Temporary short-term part-time employees are not entitled to any benefits under the Affordable Care Act and are also not eligible for retirement benefits under TCDRS. Other county policies will dictate eligibility for other benefits.

**Temporary Full Time:** A temporary short-term full-time employee shall be any employee who is expected to work for thirty (30) or more hours each week in a position that is expected to last for a specific period of time or until a specific program is completed, but no longer than 12 months. If this project goes beyond 12 months, the employee will move into a regular full-time status. Temporary short-term full-time employees are not eligible for retirement benefits under TCDRS. If an employee needs an accommodation as a result of a condition or status protected by law, please advise your elected official, appointed official, department head, human resources or the county attorney.

### **1A-6 AMERICANS WITH DISABILITIES ACT AMENDMENTS ACT**

It is the policy of Atascosa County to prohibit any harassment of, or discriminatory treatment of employees based on a disability or because an employee has requested a reasonable accommodation. If an employee feels they have been subject to such treatment, or has witnessed such treatment, the situation should be reported to your elected official, appointed official, department head, human resources or the county attorney. All elected officials, appointed officials, department heads and employees with responsibilities requiring knowledge are instructed to treat the employee's disability with confidentiality.

It is Atascosa County's policy to reasonably accommodate qualified individuals with disabilities unless the accommodation imposes an undue hardship on the county. In accordance with the Americans with Disabilities Act, as amended (ADAAA), reasonable accommodations may be provided to qualified individuals with disabilities when such accommodations are necessary to enable them to perform the essential functions of their jobs, or to enjoy the equal benefits and privileges of employment. This policy applies to all applicants for employment, and all

employees. If you require accommodation, please contact human resources. Reasonable accommodation shall be determined through an interactive process of consultation.

### **1A-7 PREGNANT WORKERS FAIRNESS ACT**

It is the policy of Atascosa County to prohibit any harassment of, or discriminatory treatment of employees based on known limitations related to, affected by, or arising out of pregnancy, childbirth, or related medical conditions or because an employee has requested a reasonable accommodation. If an employee feels they have been subject to such treatment, or has witnessed such treatment, the situation should be reported to your elected official, appointed official, department head, human resources or the county attorney. All elected officials, appointed officials, department heads, and employees with responsibilities requiring knowledge are instructed to treat the employee's limitation with confidentiality.

It is Atascosa County's policy to reasonably accommodate applicants and employees with known limitations related to, affected by, or arising out of pregnancy, childbirth, or related medical conditions unless the accommodation would impose an undue hardship on the county. If you require an accommodation, please contact human resources. Reasonable accommodation shall be determined through an interactive process of consultation.

### **1A-8 CHAIN OF COMMAND**

Elected Officials are responsible to county voters. County employees are responsible to the appropriate Department Head, or a supervisor designated by the Department Head. Directions regarding work to be done, expected results, the adequacy of work performance, and grievances will normally follow the chain of command.

#### **Department Head**

All department heads shall report to the County Judge or, in their absence, the County Judge Pro-Tempore (point of contact). All communications shall be directed to the point of contact and should also be sent to the County Auditor and Human Resources. This includes any requests for leave or requests to close the office during the normal working hours. The point of contact must acknowledge receipt and approve all requests. ### **1D-2 RETURN TO WORK**

This policy covers employees who are on leave due to a work-related injury or illness. Because employees are our most valuable resource, Atascosa County attempts to help employees return to work as soon as possible.

An employee on leave due to a work-related injury or illness may return to work only when Atascosa County receives a medical release from the treating doctor. It is the responsibility of the human resources department, department head or elected official to provide the physician

with a current job description for accurate determination of restrictions. It is a violation of County policy for any employee receiving worker's compensation benefits of any kind to be employed with a third party on a full-time or part-time basis. Violation of this policy may result in termination.

Atascosa County counts an employee's leave due to a work-related injury or toward the employee's twelve (12) week qualifying leave entitlement under the Family Medical Leave Act (FMLA). Because workers' compensation leave is designated as FMLA leave, benefits are governed by the applicable provisions or the FMLA policy contained herein.

**Return to work options:**

- Return to prior position at full duty with doctor's release stating that the injured employee can perform the job functions without restrictions.
- Light Duty – for any employee who is not able to return to their prior position and perform the regular duties of that job but can return with certain restrictions, Atascosa County will try to accommodate light duty when possible but **cannot guarantee** the availability of light duty.

Employees on light duty are not guaranteed the rate of pay they received for the position they held at the time of injury or illness. Law enforcement and EMS are guaranteed one hundred percent (100%) salary continuation as guaranteed by the State Constitution. The pay rate for light duty is based on the knowledge skills and abilities required for that job, as well as general market conditions. Employees in a light duty position are not permitted to supplement their workers' compensation benefits by using their vacation, holiday, compensatory or sick leave.

**Twelve (12) week limit** - Light duty assignments are **temporary** arrangements intended to complement and facilitate the healing process. Light duty may be initially offered for a period of four (4) weeks and then will be reviewed and evaluated by the supervisor based, in part, on the recommendation of the physician (unless FMLA time is still available).

**Employee refusal of work** - In the event an employee refuses to return to regular or light duty work in response to a written, bona fide offer of employment by Atascosa County, will result in the loss of workers' compensation benefits or the employee maybe separated from employment with Atascosa County subject to FMLA qualification and their position may be filled permanently. A written, bona fide offer of employment must clearly state:

- The position offered and the duties of the position
- Atascosa County's agreement to meet the conditions set out by the treating doctor
- The job's wage, working hours and location.

### **Medical Information**

All employees' medical information is confidential in accordance with HIPPA, and state and federal law regarding Protected Health Information, and the Americans with Disabilities Act Amendments Act (ADAAA). Medical inquiries are limited to those permitted under Texas Workers' Compensation Statute and applicable federal law.

### **Coordination with FMLA**

Nothing in this policy should be construed as denying employees their protections under the Family Medical Leave Act (FMLA) or any other federal or state law. It is Atascosa County's policy to designate an employee's leave due to a work-related injury or illness as FMLA, if eligible. Atascosa County counts the period of any employee's light duty assignment toward the employee's FMLA entitlement, as applicable.

Until employees have exhausted their twelve (12) week FMLA leave, they have the right to be reinstated to their original job or an equivalent job provided they are able to perform the essential functions of the job. In the event, the employee is unable to perform the essential functions of their job, the department head, with the assistance of the Human Resources department, will assess the options available, which may include separation of employment.

### **1D-3 EMPLOYEE SAFETY**

Atascosa County is committed to providing a safe workplace for our employees.

Each County employee must adhere to the general safety standards established for all employees as well as comply with their departmental safety requirements. Safety procedures may differ in each county department. Your supervisor will provide you with specific information pertaining to your position.

Failure to follow the safety standards set by the County or your supervisor subjects an employee to disciplinary action, up to and including termination.

Employees who observe unsafe working conditions shall either take steps to correct those conditions or report the unsafe conditions to their supervisor or human resources department.

### **1D-4 DRUG AND ALCOHOL- ALL EMPLOYEES**

Atascosa County is a drug and alcohol-free workplace. A county employee may not be present at work when impaired by the use of drugs and/or alcohol. The County believes that a drug and alcohol-free workplace will help ensure a healthy, safe, and secure work environment.

This policy applies to all employees of Atascosa County regardless of rank or position and shall include full time, part time, seasonal and temporary employees. An employee may not be in possession of illegal contraband on county property or in a county vehicle or equipment.

An employee may not unlawfully manufacture, distribute, dispense, possess, sell, purchase, or use a controlled substance or drug paraphernalia on County property or while conducting County business not on County property.

An employee may not be under the influence of alcohol or illegal drugs while on County property or while on duty for the County or in a County vehicle.

An employee may not possess or use unauthorized prescription or over-the-counter drugs while on County property or while on duty for the County. An employee may not use prescription or over-the-counter drugs while on County property or while on duty for the County in a manner other than that intended by the manufacturer or prescribed by a physician.

An employee may use prescription and over-the-counter drugs in standard dosage or according to a physician's prescription if the use will not impair the employee's ability to do their job safely and effectively. An employee must keep prescription medications used at work in their original container.

An employee taking prescribed or over-the-counter medications is responsible for consulting the prescribing physician or a pharmacist to determine if the medication could interfere with the safe and effective performance of their job duties.

If the use of medication could compromise an employee's ability to do their job or the safety of the employee, fellow employees or the public, the employee must report the condition to their supervisor at the start of the workday or use appropriate personnel procedures (e.g., call in sick, use leave, request change of duty).

A supervisor must treat any information related to an employee's authorized use of prescription medications and any other medical information provided by the employee as confidential information.

An employee having problems with drugs or alcohol is encouraged to seek treatment from a qualified professional. Information on benefits provided for treatment of alcohol and drug abuse problems provided by the County's health plan program is available in the employee's health plan booklet or from the Human Resources Office.

Any employee who violates this policy shall be subject to disciplinary measures up to and including termination.

Employees with questions or concerns about substance dependency or abuse are encouraged to discuss these matters with human resources to receive assistance or referrals to appropriate resources in the community. An employee who voluntarily asks for time off to get treatment

and recover from a drug or alcohol abuse problem will be given protection as required by law. Upon returning to work from a bona fide inpatient treatment facility, the employee will be subjected to a volunteer drug testing program as often as monthly until there is evidence the employee no longer uses. Failure to comply with the requirements of the post rehabilitative program including refusing the volunteer testing program may result in termination. The post rehabilitation program will last for as long as two years. If at any time the employee tests positive or refuses the volunteer drug test during this post rehabilitation program the employee may be terminated.

Under the Drug-Free Workplace Act, an employee is required to notify Atascosa County of a criminal conviction for drug-related activity. The report must be made to human resources within five (5) days of the conviction.

Atascosa County will drug test employees who ARE NOT CDL license holders under the following conditions:

**Pre-employment drug testing:**

Atascosa County has a pre-employment drug testing requirement that must be passed post offer before an employee starts their first day of work. All offers of employment are conditional upon passing a drug and alcohol test. The employee will sign a consent waiver.

**Suspicion-Based Testing:**

Under the Influence shall be defined as having a blood alcohol concentration of 0.02 or more.

**Reasonable Suspicion** – If an employee is having work performance problems or displaying behavior that may be alcohol or drug related or is otherwise demonstrating conduct that may be in violation of this drug and alcohol policy where immediate action is necessary, the elected official or department head will require that employee to submit to alcohol or drug test. The following conditions might be signs of possible alcohol or drug use (not an all-inclusive list):

- Abnormally dilated or constricted pupils
- Glazed stare – redness of eyes (sclera)
- Flushed face
- Change of speech (faster, slower, slurred)
- Constant sniffing
- Increased absences
- Redness under nose
- Sudden weight loss
- Needle Marks
- Change in personality (i.e. paranoia)
- Increased appetite for sweets
- Forgetfulness, performance faltering, poor concentration

- Constant fatigue or hyperactivity
- Smell of alcohol
- Difficulty walking
- Excessive, unexplained absences
- Dulled mental processes
- Slow reaction rate

Elected Officials or supervisors must take action if they have reason to believe one or more of the above listed conditions is indicated and that the substance abuse is affecting their employee's job performance or behavior. The following steps will be taken:

1. Confront the employee involved and keep them under direct observation until the situation is resolved. Inform the employee of the problem with their job performance and specific violations of the County Policy.
2. If the supervisor believes, after observing or talking to the employee, that the conduct or performance problem could be due to substance abuse, the employee will be immediately required to submit to a drug or alcohol test. If the employee refuses to submit to testing for any reason, the employee may be terminated.
3. Employees will be asked to release any evidence, such as alcohol or drug paraphernalia, relating to the observation for further testing. Failure to comply may subject the employee to subsequent discipline, up to and including termination. All confiscated evidence will be receipted for with signatures of either the elected official or supervisor as well as the employee.
4. The elected official or department head will **remove** the employee from the county workstation and ensure that the employee is transported to an appropriate collection site and thereafter to the employee's residence. Under no circumstances will the employee be allowed to drive a vehicle until a confirmed negative test result is received.
5. The elected official or supervisor shall, within 24 hours or before the results of the controlled substance test are released, document the particular facts related to the behavior or performance problems and present such documentation to the Atascosa Office for filing.

**Post-Accident Testing:**

All employees directly involved in an on-the-job accident or incident resulting in property damage and/or medical treatment are required to be tested.

Testing Procedures –

1. The employee will be escorted and driven to the designated facility for specimen collection and/or testing.
2. The employee will be required to follow the drug testing protocol of the medical facility providing the testing.

3. If the employee desires another test to be given, they may do so within 2 hours of the specimen being collected and the same specimen will be used. The cost of this request will be paid for by the employee. All initial costs will be paid for by Atascosa County.
4. The employee will be placed on paid administrative leave until the results of the test are known. The elected official or supervisor will make arrangements to ensure that the employee is safely returned to their residence.
5. Under no circumstances, unless required or authorized by law, will alcohol or drug testing information be released without written consent from the employee.

Each employee is expected to cooperate and consent to a drug test when requested under the terms of this policy. Refusal to consent to a drug and/or alcohol test when requested is a cause for termination.

Any employee who violates this drug and alcohol policy may be terminated.

### **1D-5 DRUG AND ALCOHOL- CDL EMPLOYEES**

CDL Drivers are an extremely valuable resource for Atascosa County's business. Their health and safety is a serious county concern. Drug or alcohol use may pose a serious threat to driver's health and safety. It is, therefore, the policy of the County to prohibit CDL employees from being under the influence of or using illegal drugs or alcohol during working hours.

Atascosa County will conduct pre-employment, random, reasonable suspicion and post-accident drug testing in accordance with state and federal law.

### **1D-6 WORKPLACE VIOLENCE**

Atascosa County is committed to providing a workplace free of violence. Atascosa County will not tolerate or condone violence of any kind in the workplace. The county will also not tolerate or condone any threats of violence, direct or indirect, this includes jokes. All threats will be taken seriously and will be investigated. Employees must refrain from any conduct or comments that might make another employee suspicious or fear for their safety. Employees are required to report all suspicious conduct or comments to their immediate supervisor or to human resources. Employees should be aware of their surroundings at all times and report any suspicious behavior from the public, former employees or current employees to their immediate supervisor, human resources, or the sheriff's department. No employee may possess a firearm or other weapon other than an authorized law enforcement official, with or without permits in all county offices and buildings owned or used by Atascosa County, this also includes county owned vehicles. If employees believe that a person is violating this policy, they should immediately report to their immediate supervisor, human resources, or the sheriff's department. Employees found in violation of this policy may be subject to discipline up to and including immediate termination.

Atascosa County is committed to preventing workplace violence and to maintaining a safe work environment. Accordingly, Atascosa County has adopted the following guidelines to deal with intimidation, harassment, disrespect toward others or other threats of (or actual) violence that may occur during business hours or on its premises.

The Atascosa County expects all employees to treat each other and our citizens, vendors and others with whom we do business with courtesy and respect at all times. Employees are expected to refrain from physical conduct such as fighting, bullying, "horseplay," or other conduct that may be dangerous to others. Firearms, weapons, and other dangerous or hazardous devices or substances are prohibited from the premises of Atascosa County without proper authorization, and employees should not have these items in their possession at any time while working, even if off premises.

Atascosa County will not tolerate conduct that threatens, intimidates, or harasses another employee, or a member of the public at any time, including off-duty periods. This prohibition includes all acts of harassment, including harassment based on an individual's race, color, religion, gender/sex, sexual orientation, gender identity, national origin, ethnicity, citizenship status, genetic information, military status, age, and disability, or any other classification protected by applicable local, state, or federal laws.

Examples of prohibited workplace violence include, but are not limited to:

- Using or threatening to use a weapon against an individual;
- Hitting, shoving, or otherwise assaulting an individual;
- Bullying or threatening an individual or the individual's family, friends, associates, or property with harm;
- Intentional destruction or threatening to destroy other individuals' property;
- Making harassing or threatening contact through phone calls or other means;
- Harassing, surveillance, or stalking;
- Physically aggressive, violent or threatening behavior (both verbal and nonverbal), such as attempts to instill fear in others or intimidation;
- Verbal or physical threats of any sort (including to oneself or others);
- Any other conduct that suggests a tendency toward violent behavior. Such behavior includes, but is not limited to, excessive arguing, profanity, threats of sabotage of Atascosa County property, belligerent speech or a demonstrated pattern of insubordination and refusal to follow Atascosa County policies and procedures;
- Causing physical damage to the Atascosa County's facilities or defacing Atascosa County property; or
- With the exception of, Atascosa County security and authorized personnel, carrying firearms or weapons of any type or kind onto Atascosa County premises or while conducting Atascosa County business, unless otherwise allowed by state and federal law.

This list is illustrative only and not exhaustive. No form of workplace violence will be tolerated. All threats of (or actual) violence, both direct and indirect, verbal or nonverbal, that occur during work, or that may affect you at work, should be reported as soon as possible to your immediate supervisor or any other member of management or human resources department. This includes threats by employees, as well as threats by vendors, solicitors, or other members of the public. When reporting a threat of violence, you should be as specific and detailed as possible.

You should also report all suspicious individuals or activities as soon as possible to a supervisor. If more immediate action is needed, call 911. Do not place yourself in peril. If you see or hear a commotion or disturbance near your workstation, do not try to intercede or observe what is happening.

Atascosa County will promptly and thoroughly investigate all reports related to alleged violation of this policy and of threats of (or actual) violence and of suspicious individuals or activities. The Atascosa County will use discretion and take all reasonable steps to protect the confidentiality of the individual making a report, unless necessary to protect the safety of an individual. In order to maintain workplace safety and the integrity of its investigation, Atascosa County may suspend employees, either with or without pay, pending investigation.

Atascosa County encourages employees to bring their disputes or differences with other employees to the attention of their supervisors or the Human Resources Manager before the situation escalates into potential violence. Atascosa County is eager to assist in the resolution of employee disputes and will not discipline or retaliate against employees for raising such concerns in good faith.

Atascosa County employees should notify the Human Resources Department if they are aware of any restraining orders that are in effect, or of the existence of any other non-work-related situation with the potential to erupt into workplace violence.

Atascosa County will not tolerate retaliation in any form against an employee who makes a report of workplace violence. If, after a thorough investigation, Atascosa County determines that workplace violence has occurred, appropriate corrective action will be taken, and discipline will be imposed on the offending employee(s) up to and included termination of employment.

## **1B-7 HARASSMENT AND DISRESPECT TOWARD OTHERS POLICY**

To promote equal employment opportunities for all employees, Atascosa County strives to maintain an atmosphere of mutual respect and understanding in the workplace. Toward that end, Atascosa County considers the use of demeaning, belittling, humiliating, insulting, or other forms of disrespectful language toward or about yourself or others to be unacceptable. The following types of speech terms, conduct, or behavior are to be considered when determining whether particular speech terms or conduct or behavior are unacceptable under this policy:

1. Whether you or another employee would feel discriminated against or insulted if someone else who is different from you were to use that term when referring to you or speaking to you about someone else;
2. Whether referring to yourself or another person in such a way would tend to segregate yourself or others on a minority basis;
3. Whether such terminology tends to perpetuate racial, ethnic, gender, or other minority stereotypes; and
4. Whether such terms would make a normal person feel belittled, needed, or picked on.

While the context of such statements or conduct or behavior can be important in judging whether the statements violate this policy, in general, Atascosa County will consider any such language, terms, conduct, or behavior unacceptable and will follow up on and promptly investigate any complaints received by Management or the Human Resources Department.

The following examples illustrate what is unacceptable under this policy (the list is not exhaustive and is only a general guide):

- Slurs and other disrespectful terms relating to a person's race, color, religion, age, national origin, citizenship status, gender, sexual orientation, gender identity or expression, genetic information, or disability
- Excessive or habitual use of terms relating to a person's characteristics, if a reasonable person would feel excluded, belittled, or singled out for unwanted attention through such language
- Referring to people in terms of their assumed nationalities
- Words relating to gender stereotypes
- Profane or obscene references to yourself or others

It is no excuse that you apply an unacceptable term to yourself. Such terms inevitably disturb others, even if they do not say so out loud. Further, they could perpetuate unfavorable stereotypes and foster a hostile work environment. Using unacceptable language, speech, terms, conduct, or behavior in the workplace calls into question the speaker's/actor's maturity, judgment, and suitability as an Atascosa County employee. Such

speech, terms, language, conduct, and/or behavior will not be tolerated. Depending upon the severity and repeat nature of a particular offense, a violation of this policy will result in appropriate corrective action, up to and potentially including termination of employment.

Nothing in this policy should be construed to interfere with or deny the constitutional or statutory rights of any Atascosa County employee.

**1D-8 SOCIAL MEDIA**

For purposes of this policy “social media” includes, but is not limited to, online forums, blogs and social networking sites, such as TikTok, X, Facebook, LinkedIn, YouTube, and Instagram, etc. Atascosa County recognizes the importance of social media for its employees. However, use of social media by employees may become a problem if: it interferes with the employee’s work and/or position in the county; is used to harass supervisors, co-workers, customers or vendors; creates a hostile work environment; or harms the goodwill and reputation of Atascosa County among the community at large. Atascosa County encourages employees to use social media within the parameters of the following guidelines and in a way that does not produce the adverse consequences mentioned above.

Where no policy or guideline exists, employees are expected to use their best judgment and take the most prudent action possible. If you are uncertain about the appropriateness of a social media posting, check with your supervisor or human resources.

- If your posts on social media mention Atascosa County make clear that you are an employee of Atascosa County and that the views posted are yours alone and do not represent the views of Atascosa County.
- Do not mention Atascosa County supervisors, employees, customers or vendors without their express consent.

- Remember, you are responsible for what you write or present on social media. You can be sued by other employees, supervisors, customers or vendors, and any individual that views your social media posts as defamatory, pornographic, proprietary, harassing, libelous or creating a hostile work environment. Employees can be subject to disciplinary action, up to and including termination for what they post on social media platforms, even if the employee did not use a county computer or if the post did not occur during work hours or on county property.
- Employees may not use Atascosa County computer equipment for non-work-related activities without prior written permission. Social media activities should not interfere with your duties at work. Atascosa County monitors its computers to ensure compliance with this restriction.
- You must comply with copyright laws and cite or reference sources accurately.
- Do not link to Atascosa County’s website or post Atascosa County material on a social media site without written permission from your supervisor.

- All Atascosa County policies that regulate off-duty conduct apply to social media activity including, but not limited to, policies related to illegal harassment and code of conduct.
- Any confidential information that you obtained through your position at Atascosa County must be kept confidential and should not be discussed through social media forum.
- Violation of this policy must be reported immediately to Human Resources and violations may lead to discipline up to and including the immediate termination of employment.

It is the policy of Atascosa County that supervisors do not engage in social media activities with their employees.

### **SOCIAL MEDIA APPLICATIONS AND SERVICES PROHIBITED ON COUNTY DEVICES**

Atascosa County prohibits the installation or use of the social media service TikTok or any successor application or service developed or provided by ByteDance Limited, or an entity owned by ByteDance Limited; or a social media application or service specified by proclamation of the governor on any device owned or leased by Atascosa County and requires the removal of covered applications from those devices.

The installation and use of a covered application may be acceptable to the extent necessary for providing law enforcement; or developing or implementing information security measures. In order for the installation to be approved, Atascosa County must require the use of measures to mitigate risks posed to this state during the use of the covered application, and the documentation of those measures.

### **1D-9 ELECTED OFFICIAL AND DEPARTMENTAL USE OF SOCIAL MEDIA**

Elected officials are held to a stricter standard than general employees and members of the public. The county's purpose in utilizing social media is to reach a larger county audience, supplying county-related information, news, and events to its constituents, and to provide an avenue for members of the public to report safety concerns and other related information to the county. # **SECTION 2: EMPLOYEE COMPENSATION AND BENEFITS**

## A. EMPLOYEE PAYROLL

### 2A-1 FAIR LABOR STANDARDS ACT SAFE HARBOR

Atascosa County makes every effort to pay its employees correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes do happen and are called to human resources attention, Atascosa County will promptly make any corrections necessary. Please review your pay stub when you receive it to make sure it is correct. If you believe a mistake has occurred or if you have any questions, please use the reporting procedure outlined below. If you are overpaid the county will make the necessary corrections at the next payroll.

Employees who are classified as non-exempt employees must maintain an accurate record of the total hours you work each day. It is the responsibility of each employee to verify that their time sheets are correct. Your time card must accurately reflect all regular and overtime hours worked; any absences, late arrivals, early departures, and meal breaks. Do not sign your timecard if it is not accurate. When you receive each pay check, please verify immediately that you were paid correctly for all regular and overtime hours worked each work week.

Unless authorized, non-exempt employees are not permitted to work overtime. Do not start work early, finish work late, work during a meal break, or perform any other extra or overtime work unless you are authorized to do so. That time worked is to be recorded on your timecard. Employees are prohibited from performing any "off-the-clock" work. "Off-the-clock" work means work you may perform but fail to report on your timecard. Any employee who fails to report or inaccurately reports any hours worked will be subject to disciplinary action, up to and including termination. If anyone directs you to work without documenting your time worked, you must tell human resources immediately.

It is a violation of Atascosa County policy for any employee to falsify a timecard, or to alter another employee's timecard. It is also a serious violation of County policy for any employee, supervisor or official to instruct another employee to incorrectly or falsely report hours worked, or to alter another employee's timecard to under-or over-report hours worked. If anyone instructs you to (1) incorrectly or falsely under-or over-report your hours worked, or (2) alter another employee's time records to inaccurately or falsely report that employee's hours worked, you should report it immediately to human resources.

If you are classified as an exempt salaried employee, you will receive a salary which is intended to compensate you for all hours worked for the County. This salary will be established at the time of hire or when you become classified as an exempt employee. While it may be subject to review and modification from time to time, the salary will be a pre-determined amount that will not be subject to deductions for variations in the quantity or quality of the work you perform.

For exempt employees, your salary may also be reduced for certain types of deductions such as your portion of health, dental or life premiums; state, federal or local taxes, social security, retirement; or voluntary contributions to a deferred compensation plan. In any workweek in which you performed any work, your wages may be reduced for any of the following reasons: 1) absence from work for one or more full days for personal reasons, other than sickness or disability; or 2) full day disciplinary suspensions for infractions of our written policies and procedures; or 3) full day for violating safety rules of a major significance; or 4) Family and Medical Leave or Military Leave absences; or 5) to offset amounts received as payment for jury duty and witness fees or military pay; or 6) the first or last week of employment in the event you work less than a full week.

If you are an exempt employee, in any workweek in which you performed any work, your salary will not be reduced for any of the following reasons: 1) partial day absences for personal reasons, sickness or disability; or 2) your absence because the facility is closed on a scheduled work day; or 3) your absence because of the County's operating requirements; or 4) absences for jury duty, attendance as a witness, or military leave in any week in which you have performed any work; or 5) any other deductions prohibited by state or federal law.

Please note: it is not an improper deduction to reduce an employee's accrued vacation, personal or other forms of paid time off for full or partial day absences for personal reasons, sickness or disability. Employees accrued vacation, personal, sick, or compensatory time will be reduced if it exceeds the 40, 80 or 86 hour limit and will not be used to count towards overtime. If hours entered exceeds the limit, timesheets will be reduced accordingly by the Payroll department. This policy excludes first responders.

If you have questions about deductions from your pay, please immediately contact your supervisor or human resources. If you believe you have been subject to any improper deductions or your pay does not accurately reflect your hours worked, you should immediately report the matter to the Human Resources Department or your immediate supervisor. If you are unsure of who to contact or if you have not received a satisfactory response within five business days after reporting the incident, please immediately contact Human Resources or the County Attorney. Every report will be fully investigated, and corrective action will be taken where appropriate, up to and including discharge for any employee(s) who violates this policy. In addition, the County will not allow any form of retaliation against individuals who report alleged violations of this policy or who cooperate in the County's investigation of such reports. Retaliation is unacceptable, and any form of retaliation in violation of this policy may result in disciplinary action, up to and including termination.

## **2A-2 INTERNAL REVENUE SERVICE (IRS) FRINGE BENEFITS**

Atascosa County will comply with the IRS with regard to fringe benefits such as county uniforms, county vehicle usage and day-trip meals. Employees may be responsible for paying payroll taxes on such fringe benefits.

## **2A-3 COMPENSATION**

Atascosa County Commissioners Court annually sets the maximum compensation for each employee in accordance with Texas State Law.

Atascosa County complies with the Fair Labor Standards Acts as outlined in the Fair Labor Standards Safe Harbor policy.

Such overtime compensation may be paid in cash (subject to the availability of budgeted funds) or in compensatory time upon the agreement of the employee and the Commissioner, the provisions of this section.

Otherwise, an employee may schedule compensatory time off when it is not disruptive to the business interests of the County, and the Commissioner must grant the time off within a reasonable period of time.

All questions concerning hours worked, overtime compensation, exempt/non-exempt status or

any other matters covered by the FLSA should be directed to the Human Resources Department.

### **On-Call Duties**

Certain positions as designated by the Commissioners will be on an on-call status. On-call status may require an employee to carry a phone or to leave a number where they can be reached.

If the employees designated as on-call are free to pursue their own activities and the only stipulation is that they be available for on-call duties, as required, then they will not be compensated for any time while on-call.

Atascosa County will reimburse employees for reasonable business travel expenses incurred while on assignments away from the normal work location. All business travel must be approved in advance by the department head or elected officials. Employees with approved travel are responsible for their own travel arrangements. Employees are expected to limit expenses to reasonable amounts. Expenses that generally will be reimbursed are:

- A. Air or train fare for travel in coach or economy class or the lowest available fare.
- B. Car rental fees, only for compact or mid-sized cars.
- C. Fares for shuttle or airport bus service or other public ground travel.
- D. Taxi fares, only when there is no less expensive alternative.
- E. Mileage costs for use of personal cars, only when less expensive transportation is not available.
- F. Cost of standard accommodations in low to mid- priced hotels, motels, or similar lodging.
- G. Meals are only paid when an invoice for overnight hotel bill is submitted in conjunction with county business.
- H. Charges for telephone calls, fax, and similar charges required for business purposes.

The per diem rate for meals is \$59.00 per day for each full day and \$44.25 per day for each

travel day to and from the function. The only exception is that this policy is not to conflict with the Sheriff's Day meal policy for transport officers.

If two (2) or more employees are traveling to the same location, they should travel together to avoid unnecessary expenses. When traveling together, only one employee will receive mileage reimbursement. With prior approval, an employee may travel with a companion at no expense to the county and if the presence of a companion doesn't interfere with the business objectives. Employees are permitted to combine personal travel and business travel if the time away from work is pre-approved by the department head or elected official.

Reimbursement for travel expenses is due to the Auditors Office with fifteen (15) days, must present receipts and department head or elected official approval to complete the request.

If an employee who is subject to the overtime provisions of FLSA travels overnight on business (more than one (1) day), they will be paid for time spent traveling (except for meal periods) during their "normal working hours," on their non-working days such as Saturdays, Sundays, or holidays, as well as time spent during their normal working days. Travel time spent as a passenger on an airplane, train, bus, or car "outside of regular working hours" is not considered work time.

In cases where a rental car is used, employees are required to obtain auto liability coverage from the rental car company for the period of the rental. County Officials and Employees who receive automobile allowances are provided with these allowances for travel within the county. In the event one (1) of these officials or employees is required to travel outside the county, they are entitled to reimbursement for actual expenses for such trip(s) provided the travel was authorized. Employees or Officials who receive monthly automobile allowances are not eligible for per-mile reimbursement for travel within the county. Travel allowances are considered to be a "taxable fringe benefit".

The Commissioners Court establishes the rate for mileage reimbursement annually. All approved mileage expenses are reimbursed to the employee at the current rate for the year. To receive mileage reimbursement, the employee must report the shortest distance between the points of departure and destination. Travel from an employee's residence to a county office is not eligible for reimbursement.

Falsification of any travel expense will lead to disciplinary action, up to and including, termination.

who is responsible for monitoring the proper use of the credit card. The credit cards may be used to pay for authorized expenditures when conducting business for the county. When utilizing the credit card for food service, the amount of the purchase, as shown on the credit card receipt, will be the authorized payment. In those cases where the tip is figured into the bill due to the number of participants, the total bill will be paid. Unauthorized or personal use of county credit cards is strictly prohibited any may result in disciplinary action, up to and including, termination and is also subject to prosecution within extent of the law.

If posting externally, the position must be posted for a minimum of ten (10) days prior to closing.**
  - **Posting internally requires all department heads or elected officials to print the job opportunity and post in a common area of the office for all employees to see.**
- **The department head or elected official must hold interviews for selected candidates.**
- **Once selected, send the recommendation for hire to the human resources office for the completion of the remainder of the onboarding process.**
- **The human resources office will email the candidate a conditional offer of employment, pre-screening forms, the request for the background check, and the benefits overview.**
- **The background check must be completed prior to moving forward. A 48-hour deadline for pre-screenings pertains to all candidates.**

A separation shall be defined as any situation in which the employer-employee relationship between the County and a County employee end. All separations from Atascosa County shall be designated as one of the following types:

1) termination; 2) resignation; 3) retirement; 4) dismissal; 5) reduction in force; or 6) death.

A resignation shall be classified as any situation in which an employee voluntarily leaves their

employment with Atascosa County, and the separation does not fall into one of the other categories. Employees who are resigning should submit a written two-week courtesy notification to their supervisor. Employees who submit a written resignation and work the duration of their two-week notice period, will be paid any unused, accrued vacation in their final pay. Employees who do not work their full resignation period or use vacation time to extend their last day will forfeit payout of their unused, accrued vacation. Sick leave will not be paid out. Atascosa County reserves the right to accelerate the last day of employment following an accepted two-week resignation. In the event of acceleration, an employee will still receive their unused, accrued vacation time.

Upon separation from employment with the County, an employee's years of service will not be retained or reinstated. Any prior service credit, including but not limited to longevity pay, will no longer be recognized if the individual is rehired at a later date. Reemployment with the County will be considered a new period of service for all applicable purposes.

A retirement shall be any situation in which an employee meets the requirements to collect benefits under the County's retirement program and voluntarily elects to leave employment with the County to do so. An employee who is retiring should notify their supervisor of that intent at least 30 days prior to the actual retirement date to help prevent delays in starting the payment of retirement benefits.

A dismissal shall be any involuntary separation of employment that does not fall into one of the other categories of separation. Atascosa County is an "at-will" employer and a supervisor may dismiss an employee at any time for any legal reason or no reason, with or without notice.

Dismissal of any kind will result in disqualification of unused, accrued vacation payout. Any employee who is separated due to reduction in force will remain eligible for rehire.

A separation by death shall occur when an individual dies while currently employed by the County. If an employee dies while still employed by the County, their legally designated beneficiary or estate shall receive all earned pay and payable benefits.

## **2A-22 RETIREE REHIRES**

Retired employees shall be eligible to apply for open positions with Atascosa County as long as the following provisions are met: 1) The retiree has been retired for at least one calendar month, 2) No prior arrangement or agreement was made between Atascosa County and the retiree for re-employment, and 3) strict adherence to normal leaving employment procedures

were followed at the time of the employee's retirement.

The retiree must have a bona fide separation of employment and have been retired for a minimum of one calendar months. A bona fide separation means there is no prior agreement or understanding between Atascosa County and the retiree that the retiree would be rehired after retirement. According to Rule 107.4 adopted by the TCDRS Board of Trustees, restrictions apply to elected officials, people employed for the same or different position in the same or different department, employee status changes, and independent contractors.

Newly elected officials who have recently retired from the county cannot draw their retirement because they have an arrangement to return to work for the county. Employees also cannot retire with an agreement to go work in a different department or different position. Changing employee status does not matter when determining if someone is still working for the county. Also, an employee cannot retire from the county with an arrangement to begin work as an independent contractor either.

Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. Abusing the retirement provisions in such a manner would violate a qualification requirement for retirement plans under Section 401(a) of the Internal Revenue Code, potentially resulting in significant tax consequences for the employer, its participating members and those retired employees.

Any retiree who meets all other TCDRS requirements, who is rehired consistent with this policy, must establish a new membership with TCDRS and will be considered a new member for the purposes of beneficiary determination and benefit selections.

**Note:**

- a day of vacation is defined as the employee’s shift schedule (8 hours, 12hours, or 24 hours)
- Vacation accrual is granted on the anniversary of the employee’s hire date and will be calculated according to the appropriate number of hours or days as per the above chart.

All regular full-time employees will be eligible for vacation benefits after completing one full year of service. On the anniversary of the employees hire date each year, employees will receive the appropriate amount of vacation hours based on their length of service. Employees will have one full year from their anniversary date to utilize the vacation time they have accrued. Vacation time must be used within this 12-month period, and any unused vacation will not carry over to the next year.

Scheduling of vacations shall be at the discretion of the individual official or department head.

Employees shall only be able to use vacation which has already been accrued and shall not be allowed to borrow vacation against possible future accruals. Employees shall not be allowed to receive pay for vacation in lieu of taking time off.

If a holiday falls during an employee’s vacation, then the employee will not be charged for the vacation.

Each employee shall be responsible for accurately recording all vacation time used on their time sheet.

Vacation leave will only be paid at the employees' regular rate and cannot be used towards overtime.

#### **2B-4 VACATION BUY BACK**

All regular full-time employees are eligible for vacation buy-back benefits upon completion of ten (10) years of continuous service with the county.

The amount of vacation buy-back pay, or leave will be determined by the action of the Commissioners' Court (currently, the vacation buy-back pay is forty (40) hours compensation or forty (40) hours vacation time-off).

An eligible employee must notify their supervisor of their intent to buy-back their vacation hours. The employee must then notify human resources at least within thirty (30) days from the payroll date in which they want the buy-back to apply to. Vacation time may be bought back at any point during the employees anniversary year.

An eligible employee may exercise the privilege of converting the cash payment into forty (40) hours of vacation leave. The earned time-off must be taken during the anniversary year after first becoming eligible. Any subsequent earned vacation leave may be taken during the calendar year. Vacation leave is not cumulative from year to year. Employees must request the vacation buy-back thirty (30) days prior to the anniversary date.

Transition hours are not eligible for vacation buy-back.

#### **2B-5 SICK**

Full-time employees are eligible to earn and use vacation time as described in the policy. Part-time, temporary, and seasonal employees are not eligible for vacation benefits.

Eligible employees shall accrue sick leave at a rate of twelve (12) hours per month. Accrual of sick leave shall start on the first day of the month following the completion of the employee's ninety (90) day probationary period. Sick leave shall not be accrued while an employee is on leave without pay.

The maximum amount of unused sick leave an employee shall be allowed to have at any time is three hundred sixty (360) hours.

Sick leave may be used for the following purposes: 1) illness or injury of the employee; 2) appointments with physicians, optometrists, dentists, and other qualified medical professionals; or 3) to attend to the illness or injury of a member of the employee's immediate family. For purposes of this policy, immediate family shall be defined as spouse, child, parent, foster child or other relative living in the employee's home who is dependent on the employee for care.

Where sick leave is to be used for medical appointments, an employee shall be required to notify their supervisor of the intent to use sick leave as soon as the employee knows of the appointment. Where use of sick leave is not known in advance, an employee shall notify their supervisor of the intent to use sick leave as soon as possible but no later than within 15 minutes of the employee's normal time to begin work, when practicable. Where it is not practicable to notify the supervisor within 15 minutes of the normal starting time, the employee should notify their supervisor as soon as is reasonably practicable. If the employee feels that the situation will cause the employee to miss more than one day of work, the employee should notify their supervisor of the anticipated length of absence. The employee will be placed on FMLA, if event and employee is eligible. If an employee uses three (3) or more consecutive days of sick leave, the supervisor shall have the right to require a physician's statement or some other acceptable documentation of injury or illness, for either the employee's own illness or the illness of an immediate family member. Employees who have a pattern of abusing sick leave may be required to provide a physician's statement for those absences as required by their supervisor.

Employees shall not be allowed to borrow sick leave against future accruals. Employees shall not be paid for unused sick leave at the termination of employment.

Sick leave may not be used as vacation or any other reason not addressed in this policy.

Sick leave will only be paid at the employee's regular rate and cannot be used towards overtime. Sick leave will cease to accrue once an employee becomes eligible for and begins an approved leave of absence under FMLA. Sick leave will resume upon the employee's return to work.

## **2B-6 SICK DONATION POOL**

The purpose of the sick donation pool program is to allow employees to voluntarily donate a

portion of their accrued sick hours to the pool at any time to assist other employees who are experiencing a qualifying sick leave/medical related issue or a personal emergency that will require them to be absent from work.

Recipients of sick leave donations are limited to a maximum of 240 hours per calendar year.

3. Following completion of necessary documentation, HR will submit the request to the County Judge for final approval.
4. Following approval, HR will send a notice to the employee and their department head or elected official that the request has been approved. Hours needed for the duration of the approved leave must be added to the timecard as Sick Donations.

2. Once received by HR, the transfer and distribution of hours will occur.
3. Maintain an available balance of 80 hours following the donation.

In the event that the sick donation pool is less than 120 hours, HR will send a mass email out to employees requesting more hours be donated to ensure hours are available to employees in time of need. Sick donations are completely voluntary and in no way may employees be required or coerced to donate their available sick leave hours.

## **2B-7 HOLIDAY**

Full-time employees are eligible to earn and use vacation time as described in the policy. Part-time, temporary, and seasonal employees are not eligible for vacation benefits. The County holidays shall be determined by the Atascosa County Commissioners' Court.

If a paid holiday occurs during a previously scheduled vacation, that day shall be paid as a holiday and not be charged against the employee's vacation balance. If an employee calls in sick on a paid holiday, they will forfeit their holiday pay and be charged from their sick leave. If an employee is on-call and calls in sick on a holiday, they will forfeit their holiday pay and be charged from their sick leave. An employee shall not be allowed to take a day off with pay prior to a holiday in anticipation of working on the holiday.

If an employee earns compensatory time and is scheduled to work or called in to work on a holiday because of an emergency, or other special needs of the County, the hours worked will be added to their compensatory time balance based on their status as exempt or non exempt hourly or salary.

Special consideration shall be given to employees requesting time off for religious or other special observances which are not designated as paid holidays for Atascosa County. Each supervisor is responsible for granting this leave based on the needs of their individual departments. Vacation, compensatory time, or leave without pay may be used for special leave granted.

Holidays do not accrue and if they are not taken, they will not be paid at separation of employment.

## **2B-8 FLOATING HOLIDAY**

The purpose of this policy is to provide all full-time employees with flexibility in observing birthdays or personal observations that are not currently included in the County's current regular holiday schedule.

Effective January 1, 2026, all full-time employees are eligible to use one (1) floating holiday per calendar year, given on January 1 of each year. All new hires hired after January 1, will receive the floating holiday upon hire. Floating Holidays must be used within the same calendar year and cannot be carried over to the following year. Unused floating holidays will not be paid out upon separation from the county.

Eligible employees may use the floating holiday at any time during the year, subject to approval from their elected official or department head with a thirty (30) day advanced notice. Elected officials and department heads retain the right to deny the request for the floating holiday if there is a legitimate business need but must allow the employee to take it at another time within the year.

Eligible employees must record the floating holiday through TimeClock Plus.

## **2B-9 JURY DUTY**

All employees of Atascosa County who are called for jury duty shall receive their regular pay for the period they are called for jury duty, which includes both the jury selection process and, if selected, the time they serve on the jury.

Pay for serving on a jury shall only include the time the employee would have normally been scheduled to work and will not include extra pay if jury service involves time outside the employee's normal work schedule. Any fees paid for jury service may be kept by the employee.

If an employee is released from jury duty during their normal working schedule, the employee is required to report to their shift immediately or will forfeit the jury duty pay.

All employees who are subpoenaed or ordered to attend court to appear as a witness or to testify in some official capacity on behalf of the County shall be entitled to leave with pay for such period as their court attendance may require. If an employee is absent from work to appear in private litigation in which they are a principal party, the time shall be charged to vacation, other eligible paid leave, or leave without pay.

## **2B-10 PERSONAL LEAVE**

A maximum of twenty-four (24) hours or three (3) days will be allowed with pay for personal leave on a year-to-year basis (calendar year) only. Full-time employees shall be paid at the regular salary rate for time on leave when warranted by unforeseen circumstances not otherwise provided for in this policy.

The Department Head will determine the qualification of the emergency on a case-by-case basis. The decision of the Department Head shall be final. Additional time, if allowed by the Department Head, will be charged to vacation, compensatory time-off, or time-off without pay.

**Equitable Allocation for Shift Workers:** To ensure fairness among employees working different shifts, the allocation of personal leave hours will be adjusted according to the employee's shift schedule. Employees working 8-hour shifts will receive 24 hours of personal leave annually, which equates to 3 working days. Employees working 12-hour shifts will receive 36 hours of personal leave annually, which equates to 3 working days. Employees working 24-hour shifts will receive 72 hours of personal leave annually, which equates to 3 working days.

**Accrual for New Employees:** New employees will be given personal leave hours after 90 days of employment. After the initial 90-day period, employees will accrue personal leave on the 1st of

January every year, moving forward.

## **2B-11 MILITARY LEAVE**

All Atascosa County employees who are members of the National Guard or active reserve components of the United States Armed Forces shall be allowed up to fifteen (15) days off per federal fiscal year with pay for active duty or to attend active or inactive authorized training sessions and exercises. The fifteen (15) day paid military leave shall apply to the Federal Fiscal year and any unused balance at the end of the year shall not be carried forward into the next Federal Fiscal year. Pay for attendance at Reserve or National Guard training sessions or exercises shall be authorized only for periods which fall within the employee's normal work schedule. An employee may use vacation leave, earned compensatory time, or leave without pay if they must attend Reserve or National Guard Training sessions or exercises in excess of the fifteen-day maximum.

During the fifteen (15) day duration, an employees health insurance benefits will continue at the same rate. Vacation, sick leave, and holiday benefits will continue to accrue during the fifteen (15) day duration that an employee is on military leave.

Employees are required to return to work for the first regularly scheduled shift after the end of the fifteen (15) day duration.

Any Atascosa County employee who is a member of the Texas military forces, a reserve component of the armed forces, or a member of a state or federally authorized urban search and rescue team called to state active duty by the governor or another appropriate authority in response to a disaster is entitled up to 7 days of paid disaster leave per fiscal year.

This leave is in addition to the paid leave provided for authorized training or duty otherwise authorized or ordered. During disaster leave under these provisions, the person may not be subjected to loss of time, efficiency rating, personal time, sick leave, or vacation time.

An employee going on military leave shall provide their supervisor with a set of orders within two (2) business days after receiving them.

Upon request of the employee, Atascosa County will provide a statement that contains the number of workdays used for military leave in the fiscal year as well as a statement of the number of workdays left for use during the fiscal year.

Atascosa County employees who leave their positions because of being called to active military service or who voluntarily enter the Armed Forces of the United States shall be eligible for re-employment in accordance with state and federal laws in effect at the time of their release from duty. All reasonable efforts will be made to return eligible employees to their previous position or a comparable one.

Off duty exposures will not be covered under this policy.

## **2B-13 62/30 RULE**

Atascosa County recognizes the dedication and service for its long-tenured employees. In support of the longevity of employees and support of eligible retirees, effective January 1, 2026, the County will provide County-paid medical coverage to eligible retirees.

Eligible retirees must have worked for the County for a minimum of thirty (30) years and be at least sixty-two (62) years of age at the time of retirement. The coverage provided will then expire when the retiree reaches age sixty-five (65) and is then eligible for Medicare.

This coverage only applies to the monthly premium cost for the retiree only. If the retiree wishes to keep their eligible dependents covered, they are responsible for the additional cost associated with the additional coverage at the current rate of the County. Rates are subject to annual changes determined by the plan administrator and adopted by the Commissioners Court.

Atascosa County reserves the right to modify, amend, or rescind this policy at any time.

## **2B-14 RETIREMENT**

All regular employees full time and part time employees shall be eligible for the retirement benefit offered through the Texas County and District Retirement System. Temporary and seasonal employees will not be eligible for retirement benefits. Eligible employees shall make contributions to the retirement program through a system of payroll deduction. Information on the retirement program may be obtained at the County Human Resources Office during the normal working hours for that office.

## **2B-15 SOCIAL SECURITY/MEDICARE**

All County employees shall participate in the Social Security/Medicare program which provides certain retirement, disability, and other benefits. Deductions for these programs will be made from each paycheck.

## **2B-16 FAMILY MEDICAL LEAVE ACT/MILITARY FAMILY LEAVE (FMLA/MFL)**

The Family and Medical Leave Act of 1993 (FMLA) requires an employer to provide eligible employees with unpaid leave under certain circumstances. There are two types of leave available:

- 1) the basic 12-week FMLA entitlement; and
- 2) the Military Family Leave (MFL) entitlement described in this policy.

### **ELIGIBILITY:**

To be eligible for benefits under this policy, an employee must:

- 1) have worked for Atascosa County at least 12 months (it is not required that these 12 months be consecutive; however, a continuous break in service of 7 years or more will not be counted toward the 12 months); **and**

**QUALIFYING EVENTS:**

Family medical leave under this policy may be taken for the following reasons:

- 1) the birth of a child and to care for that child;
- 2) the placement of a child in the employee's home for adoption or foster care;
- 3) to care for a spouse, child (under the age of 18 or if over 18 incapable of self-care due to a disability), or parent with a serious health condition;
- 4) the serious health condition of the employee that makes the employee unable to perform the essential functions of their job;
- 5) a qualifying exigency arising out of the fact that an employee's spouse, child or parent is a covered military member of the Armed Forces (Regular, Reserve or National Guard), deployed to a foreign country or has been notified of an impending call or order to active duty in a foreign country;
- 6) to care for a covered service member (Regular, Reserve or National Guard) with a serious injury or illness if the employee is the spouse, child, parent or next of kin (nearest blood relative) of the service member; or
- 7) to care for a covered veteran who is undergoing medical treatment, recuperation or therapy, for a serious injury or illness and who was a member of the Armed Forces (Regular, Reserve or National Guard) at any time during the period of 5 years preceding the date on which the veteran began that medical treatment, recuperation or therapy.

**SERIOUS HEALTH CONDITION:**

A serious health condition is defined as a health condition that requires overnight inpatient care at a hospital, hospice, or residential care medical facility or continuing treatment by a health care provider.

A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:

- 1) a period of incapacity of more than three consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
  - a) Treatment two or more times within 30 days of incapacity; or
  - b) Treatment by a health care provider on at least one occasion within the first seven days of incapacity that results in a regimen of continuing treatment by a health care provider.
- 2) Any period of incapacity due to pregnancy or pre-natal care.
- 3) Any period of incapacity or treatment due to a chronic serious health condition that requires periodic visits to a health care provider and continues over an extended period of time.
- 4) Any period of incapacity that is permanent or long term due to a condition for which treatment is not effective.
- 5) Any period of incapacity or absence to receive multiple treatments by a health care

provider.

**QUALIFYING EXIGENCY LEAVE:**

An eligible employee may be entitled to use up to 12 weeks of their FMLA leave entitlement to address certain qualifying exigencies. Leave may be used if the employee’s spouse, child of any age or parent in the Armed Forces (Regular, Reserves or National Guard) is on active duty or called to active-duty status in a foreign country.

Qualifying exigencies may include:

- 1) short-notice deployment (up to seven days of leave);
- 2) attending certain military events and related activities;
- 3) arranging for alternative childcare;
- 4) addressing certain financial and legal arrangements;
- 5) periods of rest and recuperation for the covered military member (up to fifteen days of leave);

- 9) attending family support or assistance programs and informational briefings;
- 10) acting as the covered military member’s representative before a governmental agency;
- 11) addressing issues that arise from the death of a covered military member while on active-duty status in a foreign country; and
- 12) other activities arising out of the covered military member’s active duty or call to active duty in a foreign country and agreed upon by the county and employee.

**LENGTH OF LEAVE:**

An employee may use up to 12 weeks leave per 12-month period under this policy. Atascosa County sets the 12-month period used under this policy as the 12-month period measured forward from the date an employee’s first FMLA leave begins.

A married couple who both work for the county is entitled to maximum combined leave of 12 weeks in any 12-month period for the birth of a healthy newborn child (i.e., bonding time) or placement of a child, or care for a parent with a serious health condition. The combined limit for a married couple employed by the county is 26 weeks in a single 12-month period if leave is to care for a covered service member or veteran with a serious injury or illness.

**MILITARY CAREGIVER LEAVE:**

An eligible employee may take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is either a current member or veteran of the Armed Forces (Regular, Reserve or National Guard).

An eligible employee may take up to 26 weeks of leave to care for a covered service member of the Armed Forces (Regular, Reserve, or National Guard) who has been rendered medically unfit

to perform their duties due to a serious injury or illness incurred in the line of duty while on active duty for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

An eligible employee may take up to 26 weeks of leave to care for a veteran (Regular, Reserve, or National Guard) who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness and who was a member of the Armed Forces (Regular, Reserve or National Guard) at any time during the period of five years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy.

The MFL entitlement is applied on a per-injury basis and an eligible employee may be entitled to take more than one period of 26 weeks of leave if the leave is to care for different covered service members or covered veteran with a subsequent serious illness or injury, except that no more than 26 weeks may be taken within any single 12-month period.

An eligible employee may begin taking military caregiver leave up to five years after their family member was discharged or released from the military. The eligible employee's first date of leave must be within the five-year period; however, the employee may continue to take such leave throughout the single 12-month period that is applicable to military caregiver leave, even if the leave extends beyond the five-year period.

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the county's operations.

**WORK RELATED INJURY:**

Atascosa County will always designate qualifying work-related injuries with lost time as FMLA qualifying.

**SUBSTITUTION OF PAID LEAVE:**

Atascosa County requires substitution of paid leave for all FMLA or MFL events. An employee must follow the compensatory, vacation and sick leave policy guidelines. The balance of FMLA is unpaid leave. FMLA and MFL run concurrently with all substituted paid leave, including Workers' Compensation leave.

The maximum amount of paid and unpaid leave that may be used under this policy in a 12-month period is 12 weeks, except for qualifying leave to care for a covered military member with a serious injury or illness which is a maximum of 26-weeks in a 12-month period.

**CONTINUED EMPLOYEE BENEFITS:**

While an employee is on leave under this policy, the county will continue to pay the employee's medical plan premium at the same rate as if the employee had been actively at work. The

employee is required to pay for dependent coverage and for any other coverage for which the employee would normally pay, or the coverage will be discontinued. An employee's obligation to pay for coverage will be made through regular payroll deduction while the employee is on paid leave status. While on unpaid leave, the employee is required to pay premiums due to the county no later than 30 days after the date of the pay period in which the premium comes due. The county may cancel unpaid coverage by providing the employee with advance written notice, not less than 15 days before the coverage will be cancelled for non-payment.

If the employee decides at any time after FMLA begins, that they will not return to work for Atascosa County, the employee must reimburse the county for health coverage premiums paid by the county on behalf of the employee during the FMLA period unless the determination for not returning is due to the serious health condition. This determination is subject to certification by a physician.

At the end of the 12-week leave period or the 26-week leave period in a single 12-month period to care for an injured covered military member, an eligible employee will be offered COBRA if they are unable to return to work.

#### **INTERMITTENT LEAVE AND REDUCED SCHEDULE:**

An employee may take intermittent leave under this policy if it is necessary for the care and treatment of a serious health condition of the employee, the employee's eligible family member or the care of a covered military member or veteran.

An employee may work a reduced schedule under this policy if it is necessary for the care and treatment of a serious health condition of the employee, the employee's eligible family member, or the care of a covered military member or veteran.

All work time missed, as the result of intermittent leave or a reduced work schedule under this policy, will be deducted from the employees' 12-week or 26-week leave eligibility in a single 12-month period.

If an employee's request for intermittent leave is foreseeable based on planned medical treatment, the department head or elected official may require the employee to transfer temporarily to an alternative position with equivalent pay and benefits that better accommodates recurring periods of leave.

#### **CERTIFICATION REQUIREMENTS:**

The county has the right to ask for certification of the serious health condition of the employee or the employee's eligible family member when the employee requests or is using leave under this policy.

The county may send a request for medical certification to an employee who has been out of work for three or more days to determine the employee's FMLA eligibility. The employee is requested to have their physician complete and return the medical certification, or provide

appropriate documentation, within 15 days of the employee's receipt of the form to be eligible for FMLA. An employee's failure to return the medical certification may result in denial of FMLA by the county.

The employee must respond to the county's request for certification within 15 days of receipt of the request or provide a reasonable explanation for the delay in writing before the 15<sup>th</sup> day after receipt of the request. If an employee does not provide certification or otherwise respond, the county may deny leave under this policy.

If an employee requests intermittent leave or a reduced work schedule, the certification submitted must also include the dates and duration of treatment and a statement of medical necessity for taking intermittent leave or working a reduced schedule. The county may request re-certification for intermittent or reduced schedule leave every six months in connection with an eligible absence.

The county may ask for a second opinion from a health care provider of the county's choice, at the expense of the county, if the county has reason to question the certification, unless the leave is necessary to care for a seriously injured or ill covered service member supported by an invitational travel order (ITO) or invitational travel authorization (ITA) to join an injured or ill service member at their bedside.

If there is a conflict between the certification submitted by the employee and the second certification obtained by the county, the county may require a third certification, at the expense of the county, from a health care provider agreed upon by both the employee and the county. The third opinion is final and binding on the county and the employee.

**REQUESTING LEAVE:**

Unless FMLA leave is unforeseeable, an employee is required to submit a written request for leave under this policy to their immediate supervisor and contact the human resources department.

Where reasonably practicable, an employee should give their immediate supervisor a minimum of 30-days' notice before beginning leave under this policy. Where it is not reasonably practicable to give 30-days' notice, the employee is required to give as much notice as possible.

**REINSTATEMENT:**

An employee returning from leave under this policy, and who has not exceeded the 12-week maximum leave period allowed, will be returned to the same job or a job equivalent to the job the employee held before going on FMLA leave. An employee who has not exceeded the 26-week maximum leave period in a single 12-month period, allowed to care for a seriously ill or injured covered military member, will be returned to the same job or a job equivalent to the job the employee held before going on leave.

If an employee is placed in a different position, it will be one with equivalent status, pay, benefits, and other employment terms and which entails substantially equivalent skill, effort,

responsibility, and authority.

The county has no obligation to reinstate an employee who takes more than the 12 weeks of leave allowed under this policy, or who elects not to return to work after using the maximum leave allowed, including an employee with available sick or vacation leave.

**REPAYMENT OF BENEFITS:**

Unless an employee is unable to return to work because of the serious medical condition of the employee or an eligible family member, or another situation beyond the control of the employee, an employee who does not return to work after using the maximum leave allowed under this policy will be required to reimburse the county for all medical premiums and other benefits paid by the county while the employee was on leave without pay related to their FMLA leave.

**OTHER BENEFITS:**

While on leave without pay under this policy, an employee does not earn vacation or sick leave, is not eligible for holiday pay, and does not earn other benefits afforded to employees actively at work, except as stated in this policy, unless other employees who go on leave without pay are allowed to do so.

An employee who is out on approved FMLA leave may not take trips outside of the country unless the travel is related to the employee's own serious health condition, the serious health condition of the child, spouse or parent of the employee or to attend qualifying military events. An employee may ask their immediate supervisor for written permission to take other trips outside of the country which may be granted at the supervisor's sole discretion.

Employees are forbidden from working another job while on approved FMLA leave from the county.

**REGULATION:**

Any area or issue regarding family and medical leave that is not addressed in this policy is subject to the basic requirements of the FMLA and the regulations issued to implement it.

**RETURN-TO-WORK:**

An employee is required to provide a fitness-for-duty certification before the employee returns to work.

**ENFORCEMENT:**

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer for unlawful discrimination under the FMLA. The FMLA does not affect any federal or state law prohibiting discrimination or supersede any federal or state law that provides greater family medical leave rights.

## **2B-17 LEAVE OF ABSENCE - OTHER**

Employees who have completed twelve (12) months of continuous service and have worked at least one thousand two hundred fifty (1250) hours during those months on a regular full-time employee position are eligible for leave without pay. Employees may request a personal leave of absence to a maximum of 90 days. Personal leaves of absence may include reasons such as extended vacations, continuing education, extended bereavement, or other personal matters. Personal leaves of absence are granted solely at the discretion of the elected official, appointed official or department head.

Employees who have been approved for unpaid leave must report to their department head or elected official at least once a month. Failure to provide medical status reports or to contact the office will result in revoking the leave and taking disciplinary action up to and including termination.

Employees on personal leaves of absence are converted to an inactive status and do not accrue any benefits. Employees may continue the county health plan, but they are responsible for the entire premium, which includes both their portion and the county portion. The employee must pay for the premium on the first of each month, lack of payment will result in medical plan termination and the employee will become eligible for COBRA. Return to work on a personal leave of absence is not guaranteed and is subject to current business conditions and an appropriate job opening. Failure to return to work at the expiration of the approved leave will result in voluntary resignation.

## **2B-18 ANNUAL LONGEVITY PAY**

In an effort to attract and retain employees, Atascosa County provides longevity pay to eligible full-time employees in recognition of their continued service.

Full-time employees who have served three (3) consecutive years of employment with the County will earn annual longevity pay starting in their fourth (4) year of employment. The longevity pay is paid at \$120.00 per year and will be disbursed on the payroll following the employee's anniversary date. There is no limit on the number of years an employee can accrue to qualify for longevity pay. Longevity pay calculations will be based on an employee's hire date within the calendar year.

Years of employment served as an elected official will not be considered for eligibility toward annual longevity pay. For elected officials, the years of service as an employee directly prior to becoming an elected official will be eligible for the annual longevity pay.
